### FISCAL ANALYSIS

#### Assumptions:

- SB189 makes no change to Class E-1 and Class E-2 wolf license prices, therefore, there is no change to revenue.
- The bill strikes the language requiring revenues to be divided equally for the purposes of wolf collaring and lethal action allowing for one special revenue account for all revenue instead of two.
- The bill adds language to allow the funds to be used for public education.
- Current appropriations will be used to perform the work listed in the bill.
